President's Message

Hello fellow dancers,

We hope this finds you well as we endure yet another COVID wave. We did enjoy one small in-person square dance before Omicron arrived and **the province banned all dancing until further notice**. That disappointment was followed by a call two days before our family Christmas to say the grand kids were in quarantine until December 27th because of a positive test of someone on their school bus. In the end, we had two Christmases, with the grand kids coming once their quarantine was over. We hope you fared better.

SWOSDA Executive didn't meet in December; so there isn't enough news to warrant a separate "Executive News" section in this Bugle. There are, however, a couple of items that we wish to note here. The provincial ban on all in-person dancing (as opposed to dance performances) is not likely to be lifted very soon, unless there is a drastic change for the better in the COVID situation. This means clubs' in-person dancing plans are now on hold. In light of this, **SWOSDA has cancelled our planned February 26th dance**.

Although dancing is on hold again, recognizing those who have contributed in major ways to dancing success at the club and/or regional level continues with the annual **Federation Trillium Awards** and the **SWOSDA Merit Awards**. Nominations for both awards are to be submitted to the SWOSDA secretary (secretary@swosda.ca). **Trillium nomination deadline is February 15th, 2022** and **Merit is March 15, 2022**. Please see "Awards" at swosda.ca for all the details for both awards (go to "About" on home page and scroll down to "Awards"). If you need assistance or wish to check whether someone you are thinking of nominating has already won one of the awards contact Laura, our Secretary, at secretary@swosda.ca.

We still hope to see you on the dance floor sooner rather than later!

Sincerely,
Merv and Janice Reid
SWOSDA President Couple

Remember When...

Looking Back - 22-01 – Dorothy Dahm, SWOSDA Historian

*In my research this month, nearly every club report included mention of food in potluck form or a turkey dinner with the trimming's, fun and dancing. **Fun, Fitness, Friendship and Food** all exemplified.

*Editors Tom & Addie Parmenter started off the January 72 Bugle with this quote “**Wisdom is knowing what to do next, skill is knowing how to do it, and virtue is doing it.**”

*Next item to follow was the report from the **T&D/SWOSDA Joint Workshop** held in Waterdown in Nov. ‘71, moderated by Bill Murray and Lloyd Clayton. There were two discussion groups – Callers discussing callers’ responsibility to the club and club’s responsibility to the caller and Dancers discussing the club’s responsibility to the caller and to the dancers, as well as the Dancers’ responsibility to the club and caller.

*Bruce Payne shared an article of **Comfortable Dancing** from Denver Area Square Dance Council. It started out “**The mark of an experienced dancer is not that he/she doesn’t ‘goof’ but rather recovers sufficiently to keep the set moving.** Key words in the following paragraphs included handholds, shuffling feet and compromise.

*I couldn’t put ‘72 aside before sharing the following advice-author unknown.

**“Someday when you are feeling important, someday when your ego’s in bloom,
Someday when you have the feeling, you’re the most important man in the room.
Take a bucket and fill it with water, stick your hand in it, up to the wrist.
Pull it out, and the hole that remains is a measure of how much you’ll be missed’
You may splash all you wish when you enter, stir the water around galore,
But you’ll find when you finally leave it it’s exactly the same as before.
So as you follow your daily agenda, always do the best that you can.
Be proud of yourself, but remember, there is no indispensable man.”**

*George & Betty Brown chose an article from Cathedral Chimes to start the **January ‘ 82 Bugle.**

What shall we do with the New Year? The old is left behind.

Perhaps we could be more loving, perhaps a bit more kind,

Perhaps we could be more patient, with folks along the way,

Perhaps we could be more careful, of what we do or say,

Perhaps we could be more willing, perhaps less selfish too,

Perhaps we could be more cheerful, though skies may not be blue,

Perhaps we could spread more sunshine, wherever we may roam,

For now, with the old year’s passing, we’re one year nearer home.

*Ken Brennan’s article on behalf of the Beavers suggested 1982 be the “**Year of the Enabled**” where all clubs make a concentrated effort to enable their clubs to acquire new members, the callers and executive to function more effectively, to provide to the non-dancing public a better look at our activity.

*Around the Squares from Peterborough provided a **Recipe for a Successful Year**.

Take 12 months and divide into equal portions, party night size. Don't mix the whole batch at once. Prepare one party night at a time, into each portion put a well-balanced measure of friendliness, enthusiasm and originality... add a cup of good spirits, a dash of fun, a pinch of foolishness, a dollop of good humour and a jigger or two of laughter. Stir in one caller and a handful of tips and rounds. Blend all the ingredients in a "mixer" with musical rhythm. Pour into a suitably decorated hall. Garnish with smiles and sprigs of joy. Serve unselfishly.

*Some clubs choose interesting slogans to catch your eye as they advertise special dances.

e.g. Guys 'N Dolls invited you to **DANCE YOUR PANTS OFF and give Cupid a chance at their special Valentine Dance** with Tim Crawford and Jim & Lerine Gillespie.

* By Clara Dell Thurston – a new approach to build a brand-new Year

**A candle is but a simple thing, It starts with just a bit of string,
Yet dipped and dipped with patient hand it gathers wax upon the strand
Until complete and snowy white it gives at last a lovely light.
Life seems so like that bit of string? Each deed we do, a simple thing
Yet day by day if on life's strand we work with patient heart and hand.
It gathers joy, makes dark days bright and gives at last a lovely light.**

***January '02 Bugle** displayed posters to **Square Dance for Heart** sponsored by Owen Sound "Sound Steppers" area clubs and 9 Cambridge area clubs. (Many dancers from near and far generously supported these clubs by attendance and donations. Dahms & Moermans put in more travelling time than dancing time.)

*As club reports referred to lots of banner stealing happening, Editors Lee and Sharon Cox included **SWOSDA's Suggested Banner Stealing Guidelines**.

*From **Great Truths about Life that Adults have Learned**, *Families are like fudge... mostly sweet, with a few nuts. Growing old is mandatory; growing up is optional..... God put me on earth to accomplish a certain number of things. Right now, I'm so far behind I will live forever.

*Presidents Austin & Avril Hayward started out the **January 11 Bugle** with thanks to the Deschenes, Priests and Lavignes for their work in developing to **Club Leadership Program** to help educate and give club leaders a program designed to assist them in recruitment and retention of dancers as well as the tools to keep their clubs sustainable.

*Tri-County Squares were recommending square dance closet weeding as a possible suggestion on the resolution front. A **Gently Used Clothing Sale** was to be held on Feb. 8 with proceeds to go to Camp Trillium – Rainbow Lake.

*Carol & Stan Down were resigning as SWOSDA Historians. (There was a gap of several years before I took over the responsibility)

Special Club or SWOSDA Events – Please – I am working to make sure the history of SWOSDA and member clubs is up to date. I really need your help. Do you have any photographs or brief descriptions of special events that you feel should be included? Please send them to me, either by snail mail or email. Dorothy Dahm, SWOSDA Historian, 38 Kamps Crescent, Tillsonburg N4G 4Z3 or familypatchwork.dd@gmail.com

In actual fact, I would be glad to hear from you at any time, with any questions, comments or suggestions.

Wishing for you and yours a much-improved 2022!

Hoping to see you at a dance sometime soon. DD

Goals and Aspirations

Ok, ...it's January and time to discuss our goals and aspirations for 2022. Not dreams, not fantasies, or figments of our imaginations, but actual, factual goals we sincerely are intent upon achieving in 2022.

Imagining things like the beautiful words of John Lennon that there would be "no need for greed or hunger" or, "a world where there is peace and acceptance of everyone", is, unfortunately, just that. Our imagination.

Dreams are made up of actual vivid things we might have experienced that may contain people, objects or themes that are relative to your life when you are awake. But dreams are not a promise for change or even a desire to improve one's physical or mental well-being. I am not suggesting you stop dreaming, but just the opposite. Dreams help process our emotions and benefit functions like learning and memory. Avril and I dream of dancing again, seeing our friends and travelling.

Which leaves us with aspirations.

Aspirations more closely defines what we might call a resolution or promise and is defined as "a hope or ambition of achieving something". Aspiring to become, or to be anything that we may perceive to be an improvement over what we currently are, may be more relative to common thinking.

It is written that people can have social aspirations, personal aspirations and/or career aspirations. I personally define my career aspirations as associated with my physical and mental well-being. Motivation, a sense of responsibility and reasoning to get up and get going are clearly good for my health.

Finding myself surrounded by the overwhelming closed doors relative to multiple variants of Covid-19, has certainly put a dent in my social life. No dancing, no weekends with friends, no going to our favourite dining or entertainment establishments. Some things we can aspire to change, but some things (like Covid-19) we may not have any control over.

So, I am personally going to work on things that are within my power and my control to change, like dancing again. Things I need to do for myself and those close to me.

However, there is a need for involvement in creating change to things out of our control. Getting vaccinated, obeying health protocols, and protecting yourself and others are things you can do that will help change the course that these variants are taking and may one day give us back control.

Ok. So, I need to shed a few pounds. I need to address some personal things that I know I can improve upon. So be it.

There is a very thin line between success and failure.

Remember, failing is usually a slight or insignificant defect in character, conduct or ability. Success is the accomplishment of an aim or purpose.

Henry Ford once said, "whether you can or you can't, either way you are right."

Stay positive, Stay Healthy
Happy New Year

Flight 2022 Instructions

Good morning and welcome to Flight 2022. We are prepared to take off into the New Year. Please make sure your Positive Attitude and Gratitude are secured and locked in the upright position. All self-destruct devices: pity, anger, selfishness, pride, and resentment should be turned off at this time. All negativity, hurt, and discouragement should be put away.

Should you lose your Positive Attitude under pressure during this flight, reach up and pull down a prayer. Prayers will automatically be activated by Faith. Once your Faith is activated, you can assist other passengers who are of little faith.

There will be NO BAGGAGE allowed on this flight.

God, our Captain, has cleared us for take-off.

Destination – GREATNESS!

Wishing you a New Year filled with new HOPE, new JOY, and new BEGINNINGS!

Stay Blessed!

And welcome in 2022.

Happy New Year to all our dancing friends. 🥳

It's time for a fresh start with a brand new year. It seems we will have to be patient a while longer and hope that we can get back to our dance floors later this year.

It was another quiet Christmas at the Hulley house but we did get to spend the day with our daughter Kim and two grandchildren on the 24th. Our daughter Crystal and her husband made the trip from Ottawa on the 28th for a few days and with the help of rapid testing we were able to have Ian's mom for an afternoon while they were here.

We hope everyone is staying safe and healthy.

There is still no dancing set for the new year although we are all encouraged to join in on the Zoom dances being offered.

The tune is from "Let It Snow".
OH THE ViRus outside is frightful
But the Wine is so Delightful
and since we have no place to go.
Let it flow. Let it flow. Let it flow.

Happy Holidays

Country Square – Rostock

Merry Christmas greetings from the gang, Rostock County Squares!! Once again we were able to join at the shed for fellowship and a delicious potluck supper. We had a great turn out. It was so nice to be able to be with our group again. I would also like to wish our caller, Neva McVittie a happy birthday. She had celebrated her

special day just a day or two of our potluck supper.

Merry Christmas to all and a Happy New Year from the Rostock Country Squares... and please stay safe

As 2021 comes to a close we look forward with optimism to the New Year and returning to square dancing in Flesherton. We continue to hope that Covid will take an early exit in 2022 and some dances can be held in the winter session; if not our emphasis will be on the fall session starting in September 2022.

To promote our Club, Joan & Ellison Boyce designed and prepared an entry for the Holstein Santa Clause Parade held December 11. This non-motorized parade attracts a large attendance each year in this small Grey County community. The Club entry featured the Boyce's miniature horses and displayed the Denim 'n Lace Square Dance Club sign. A picture is attached of Joan Boyce at the reins.

The Denim 'n Lace Square Dance Club started in September 1992. **We need to celebrate our 30th Anniversary!** Yes, 2022/2023 may be a banner year. Our Spring Fling could be an Anniversary Dance. Jim Lee has been our Caller for the 30 years.

We wish a happy, healthy and prosperous New year to all.

January 2022 has come - a time of year to "wipe your slate clean" and start anew. For many this will happen, but for the world, things will carry on. Unfortunately, the Covid-19 precautions and protocols are carrying on - we have to "beat" this virus. Have you been vaccinated x3?

The Huron-Bruce Swingers have not been in touch with each other. We hope that as many family gatherings as possible were able to happen safely over the Christmas season. The HB Swingers had set a tentative date of

January 12th to meet and possibly hold a dance. The question now is "will it happen"? It is too early to predict.

So, here is a question for you - are you an optimist or a pessimist?

An optimist stays up until midnight to see the New Year in.

A pessimist stays up to make sure the old year leaves.

Happy New Year - from the Huron-Bruce Swingers

I sent out an appeal for up-to-date information from the Happy Hearts. Most reports are saying pretty much what was expected; all are doing well, staying home and had a quiet Christmas. New Years was expected to be more of the same. All are patiently waiting for things to get back to normal, whenever that may be. Home hobbies have become the normal thing to do.

Hoping everyone is patient and keeping well, while looking for better things to come.

Greetings from Jubilee Rounds on Zoom:

Greetings from Sunny Florida.....

We hope you all had a Very Merry Christmas and were able to spend some time with family and friends over the holidays.

Our month of December was a wonderful month for virtual dancing. We have had great support of our events and wish to thank all those dancers who have been joining in each week to get their regular "fix" of Round Dancing!

We are in a campground that is filled mostly with Canadians so we feel pretty safe to be here. The counts are actually lower than at home so.... We are not too concerned at this point.

Our special "in-person" Round Dance in December went very well and we are hoping to be able to do another one in February when we return home.

It will all depend on hall availability and the indoor counts allowed.

We will have our codes set up by January 26th and Zoom dancing will resume on February 3rd. Check our website after January 26th to sign up for our Virtual Round dance program.

Remember, if you have been attending regularly you will receive the code automatically. If you haven't been joining us on a regularly basis, please sign up so we can include you in our programs.

We don't publish our codes; they are sent only to those who attend Regularly or REGISTER. Please visit our website: www.shadowlightdance.com and select "Contact us", then select the appropriate option and complete the form.

We have been thinking of you all while here on vacation and are enjoying the weather - average temp is 24c – 28c and sunny most days but must admit we miss you and our Zoom time together!!

We plan to be home the last week of January so

In the meantime – Stay safe & healthy....

Check out our website and sign up for Virtual Dancing: www.shadowlightdance.com

Happy Dancing,

Jeff Priest

[Royal City Squares - Guelph](#)

It seems that we take one step forward and one and a half steps back in these covid times. Kind of like a dance....

We had been hopeful we might be able to re-start in-person dancing early in the new year. At this point, though, we still have no direction from the Upper Grand District School Board on access to our old home at Paisley Road School gym. So, we continue to watch and wait patiently.

Some of us are continuing to meet online to dance to Jeff's superb calling designed for 1, 2, 3 or 4 dancers in the comfort of one's own home. Jeff and Andrea will start up their Zoom dances and classes in early February, upon their return from Florida. So, check out shadowlightdance.com for more information or to register.

Weekly classes include:

Tuesday	Plus	7 – 8 pm
Wednesday	A2	1 – 2 pm
Wednesday	30-call	7 – 8 pm
	(Basic Mainstream)	
	Full MS	8:05 – 8:45 pm
Thursday	Phase 2 – 3	7 – 8 pm
	Rounds	

We encourage all of our dancers to zoom in regularly or from time to time – to stay connected, to watch even if not dancing, and to socialize just like we used to, between tips.

We wish everyone good health, good moves and bright hopes as we step our way cautiously into 2022.

Greetings from Sunny Florida.

We have arrived safe and sound! The drive was very good and weather really co-operated for us. Not too cold and no snow or rain for that matter.

We hope you all had a wonderful Christmas and New Year's and were able to spend some time with family and friends this Holiday Season.

The Covid-19 numbers here are actually better than at home and the campground we are in is filled mostly with Canadians so we are feeling pretty comfortable. Social distancing is practiced and folks are very accustomed to wearing masks so that too is good.

Our Virtual Dance Groups through 2021 were great and we really appreciate the support of those folks who joined in each week to have some fun dancing and to see their Zoom friends from all over the world.

It is our intention to continue our Zoom Dance groups when we return home! Be sure to check our website and sign up for the groups that you wish to attend. The codes will be available on January 27th so visit our site and sign up!!

Remember if you have been attending regularly you will receive the code automatically. If you haven't been joining us on a regularly basis, please sign up so we can include you in our programs.

Please Note: Our Winter/Spring Sessions will start up on Tuesday February 1st.

Most sessions are 60 minutes. All our Square Dance Programs are 2 couple choreography for 1 – 4 people and set in Eastern Time. During times when head count restrictions allow, folks can join together in their homes and create mini squares to enjoy our Virtual Square Dancing.

We look forward to seeing you in 2022 as you "Zoom into Dancing"!

Stay Healthy and Safe!

Happy Dancing and More – Much More!

[Sound Steppers - Owen Sound](#)

Hello fellow dancers and friends,

Hope everyone had a blessed and safe Christmas and bringing in the New Year. It was a very different kind of Christmas this year, although we were able to gather more than in 2020, there were still limitations we had to endure. We were able to join together to see Santa Claus parades, kids school programs, church services and town activities and have some sort of normal.

The weather was favourable for traveling with mostly rain showers for those that were able to visit friends and family for the holidays. Many of the snowbirds were able to go south to spend time with other friends and families for the winter.

With the new variant amongst us and the area numbers above and beyond previously recorded, we won't be getting together for in-person dancing for quite some time unfortunately.

With the focus on starting a brand new year of hopes, dreams, grabbing a hold of new opportunities and challenges along the way, be sure to laugh and enjoy, take time to count your blessings and being grateful for the little and simple things in life that matter the most, like love and good health, without either one, things seem less important.

The Owen Sound Steppers wishes everyone a happy, safe and healthy new year.

Stay safe, Be well and take care of each other.

[Strathroy Swinging Duo's](#)

We trust everyone had a good Christmas and New Year. Once again we are living in uncertainty with this new Omicron variant, causing a mad rush for that extra jab in the arm and rapid test kits. As one of our square dance friends Marilyn quoted, "We hope this is the storm to end the storm". It sounds like that just may be the case.

We personally rode through the covid storm quite well. Both of us have learned some new hobbies. Jake with woodworking and reupholstering, and I'm teaching myself to play the piano. We imagine that many of you may have discovered and are now using your hidden talents.

We are missing meeting everyone on the dance floor and anticipate returning in the very near future. We are looking forward to many good laughs as we continually make mistakes and break up a square. It shouldn't take long to get the rusty kinks out of our system and smoothly dance along the dance floor.

Since we don't have much club news to report, we need to rely on our past activities. On Monday, January 25, 2016 we had our Robbie Burns Birthday dance. Stan McKeen showed up wearing his Kilt! Also pictured is everyone who wore plaid that evening. Did you know that Haggis is a Scottish pudding that is traditionally eaten on Robbie Burns Birthday? Apparently, it's cooked in a sheep's stomach bag. It didn't sound very appealing to us when we read the recipe.

We wish everyone a very Happy and Covid Free New Year,
Jake and Jean Hamstra

[Thames Valley Dance Club - Woodstock](#)

Happy New Year from Thames Valley Dance Club! The end of 2021 did not leave much space for an optimistic outlook but take a few minutes to think about some of the positive things that happened in your life in 2021. Did you take some quality time for you? Did you find a new way to fill some of the time given to us by lockdowns and restrictions? Did you learn a new skill? Did you have any new members added to your family? Did you meet someone new? Covid cannot and has not taken everything from us. It just makes us look a little harder for the blessings in our lives.

With 2021 now behind us, we can focus on making 2022 a great year, no matter what Covid has planned for us. Keep your attitude positive and grateful, stay in touch with family and friends, get some fresh air and exercise every day if you can, and smile as often as possible! All of these things will help to keep your heart in better shape and your mind in a better space.

Our club had its monthly Trivia Night on Mon, Dec 20. Just a few days before Christmas, we celebrated virtually with our friends. Many people dressed up in red and/or green, wore Santa or elf hats, Christmas ties and jewellery, blinking necklaces and seasonal headbands. There were Christmas trees, decorations and festive lights in the background at many of the homes. The theme of the trivia was Christmas – from Christmas carols to Christmas babies and famous bears. The “Prize of Unbelievable Value” this month was awarded to Fred and Dianne Joyner. What a fun night it was!

Our club was in the process of making plans to return to in-person dancing on Jan 24/22. However, increasing case counts and new provincial restrictions have put us back on the bench. We will be re-assessing the situation toward the end of January, taking local and provincial restrictions and mandates into account, with the hope that maybe next month we can go dancing.

We will carry on with our monthly trivia nights, the first one of the year will be Jan 24th. If you would like to join our trivia nights, everyone is welcome! Just send a quick email to Doug and Lois at zoringtowncrier@gmail.com and we will forward the “meeting” information to you. That’s one thing about zoom – there is always room for more!

Until next month, take care, stay healthy, and smile!

[The Town Squares – La Salette](#)

The Town Squares has begun a short season of dance in October. Daily case numbers of covid were low and we took it one week at a time. To keep contacts low we danced with one square of Basic dancers on our regular Tuesday nights and then every other week we had an afternoon Plus dance with a square and a few extra dancers. We danced for six weeks like this, and then the two groups came together for a Christmas dance. It was not as boisterous as previous Christmas dances, but there was a smile under every mask from arrival to departure and just being together and dancing as a club gave us hope for the New Year ahead.

I would like to take a moment to thank all those who continue to provide input to the bugle.

I get told that ‘I do a good job’. My success however, comes from the content YOU provided.

In these difficult times, we tend to have dark thoughts. It’s nice to grab the bugle and be lifted to a good place. There are many good things going on around us, and much joy in life; that joy is shared with others through your articles. I read the many stories that come across my desk, and I always finish with a lifted spirit.

Hope everyone had a Happy Christmas,

I wish everyone Health, Wealth & Happiness in the New Year

Promotional Idea

The topic of Promoting Square Dancing has come up many times. An easy way to do that is by owning a Square Dance License Plate. Many already have them, but this is reminder that they are still available.

You can purchase a “Square Dance” Graphic license plate for your vehicle! Funds from the sale of these Graphic license plates (\$82.15) helps the Ontario Federation to promote square dancing in Ontario.

These plates can be requested from your local Service Ontario office. Plates can be serialized or include specific text. (Restriction Apply).
